### Graduation

Course	BCA( Computers )
College	Mahatma Phule Mahavidyalaya , Pune
Year of Passing	2021
Grade	77.75%

## PROJECTS

### Amazon clone, 1 Months

simple yet impressive Amazon clone using only HTML and CSS. By recreating the main elements of the Amazon homepage, such as the navigation bar, search bar, hero section, cards, and footer, you'll gain a solid understanding of how these components come together to create an attractive website.

### Rock Paper Scissors Game, 1 Months

Rock, Paper, Scissors is a game that's widely enjoyed by beginner developers who want to build a simple game. In this game, you'll play against a bot or computer, and the rules are straightforward: rock beats scissors, scissors beat paper, and paper beats rock.
